Please indicate your preference for: LUNCH

While we are not able to accommodate all food preferences, a vegetarian and a non-vegetarian option will be provided (likely sandwiches- TBD).

Vegetarian Non-vegetarian

Please indicate all that apply: INTERESTS

Tell us in which areas you are interested.

- New treatment methods, products, and costs
- Hemlock management in landscape vs. forested settings (the difference between managing high value trees and managing abundant regeneration)
- Long-term silvicultural approaches to hemlock conservation
- Treating hemlocks in exceptional circumstances (growing in water, steep, rocky terrain)
- Biological controls: update and monitoring
- Other: _____

WANT TO COME TO THE TRAINING BUT CAN'T MAKE THE DATE?

If you would like to attend this training but the date is not ideal please tell us a little more here. What dates would work well for your organization? What is your specific area of interest?

IMPORTANT!

Registration deadline is 4/16/18

1. To register you must fill out this form on your computer and email to info@savehemlocksnc.org

Or
